Dear Sir:

The Examiner required that the above-identified application be restricted to claims 1-3 which are drawn to a semiconductor device, or claims 4-20 which are drawn to a method of manufacturing a semiconductor device. As a result, applicants elect to prosecute claims 1-3 without traverse.

Applicants also request the Examiner to indicate whether the formal drawings filed August 9, 2002 (and received by the U.S. Patent and Trademark Office on August 14, 2002) have been entered into the application.

Respectfully submitted,
